

Snack Shack Bank

Snack Shack now has a new way to pay!

We are introducing the Snack Shack Bank: you will deposit money in the bank and your child will have their own card (kept at the Snack Shack) which will be "punched" for each purchase. It will specify on the card how much your child is allowed to buy each week. When the card is almost empty, you will receive a reminder that it's time to deposit more in the bank!

All items at the Snack Shack are 50 cents.

We will still accept cash for those who don't wish to use the bank.

Please return form and payment by Thursday morning, so your child's card will be ready on Friday.

Money will not be refunded if your child is withdrawn from school.

Please detach and return with payment
